

**DIRECTOR'S
MESSAGE**

A

As we close the curtain on the 2024-2025 Dance Season, we celebrate another remarkable year at Step by

Step School of Dance. Each season adds a new chapter to our story, and this one has been filled with energy, growth, and an incredible sense of community.

This year, our dancers are taking you on a vibrant journey "Dancing Through the Decades" showcasing styles, music, and moves that have defined generations. It's been such a joy watching our students embrace the rhythms of the past while creating unforgettable memories in the present.

To our dancers, thank you for your dedication, creativity, and hard work. You've brought each era to life with passion and flair, and we are so proud of everything you've accomplished.

To our amazing SBS Teachers, your love for dance and your students shines in every step. Thank you for guiding, inspiring, and nurturing our dancers with such heart.

And to the parents, guardians, and grandparents, thank you for being the steady support behind the scenes. Your encouragement fuels everything we do.

We invite you to sit back and enjoy this time-traveling celebration of music, movement, and memories. I can't wait to see each dancer light up the stage, one decade at a time!

Let the rhythm take you back and the show begin!

With gratitude,
Miss Becky
